

Insight APAC Earns Two 2018 Microsoft Singapore Partner of the Year Awards for Office 365 Solutions

October 16, 2018

Recognized as the winner for Modern Workplace Transformation and for Security and Compliance

TEMPE, Ariz., Oct. 16, 2018 (GLOBE NEWSWIRE) -- Insight Enterprises' Asia-Pacific team announced Sept. 28 it has won 2018 Microsoft Singapore Partner of the Year awards for both Modern Workplace Transformation and for Security and Compliance.

The company was honored among a community of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

"Along with being named Microsoft's 2018 Worldwide [Modern Desktop of the Year](#) and [Partner of the Year in Artificial Intelligence](#), these accolades represent a powerful partnership aimed at helping people collaborate and work smarter," said Ken Lamneck, Insight CEO. "Our solutions mirror the way employees live and work, which is key to attracting and retaining talent in today's modern workplace."

Mike Morgan, vice president and managing director, Insight APAC, said: "These awards represent our ongoing investment and commitment to Microsoft. They demonstrate how we strategically align our [Connected Workforce solutions](#) to the Microsoft Modern Workplace and work diligently together to deliver outcomes to our clients that help them manage today and transform for tomorrow."

Awards were presented for 15 categories, with award finalists and winners selected based on their commitment to customers, their solution's impact on the market and the exemplary use of Microsoft technologies.

"We congratulate Insight on achieving winner for both the 2018 Microsoft Singapore Modern Workplace Transformation Partner of the Year and Security and Compliance Partner of the Year," said Gerald Leo, director, One Commercial Partner and Small & Midmarket Corporate, Microsoft Singapore. "Insight is a prime example of the expertise and innovation we see in our Microsoft Singapore partner community to bring cutting-edge solutions to complex business challenges and providing digital transformation opportunities for our collective customers."
