Az Business Magazine and BestCompaniesAZ select Insight as one of the 2017 Arizona's Most Admired Companies

TEMPE, Ariz., Sept. 15, 2017 (GLOBE NEWSWIRE) -- Insight (NASDAQ:NSIT) is one of the 2017 Arizona's Most Admired Companies, according to Az Business Magazine and BestCompaniesAZ. All of the Arizona Most Admired winners were recognized at an awards reception held Thursday, Sept. 14 at Omni Scottsdale Resort & Spa at Montelucia in Scottsdale, and are featured in the September/October issue of Az Business Magazine.

Arizona's Most Admired Companies are selected based on how a company has performed in the following areas: Workplace Culture, Leadership Excellence, Corporate and Social Responsibility, Customer Opinion and Innovation.

"This is the most comprehensive corporate awards program in Arizona. And due to the breadth of the areas it examines, companies who are selected join a prestigious group of employers in Arizona. This program recognizes the wonderful contributions and impact these most admired companies bring to the state," says Denise Gredler, founder & CEO of BestCompaniesAZ and co-founder of the MAC program.

"In our business, we are focused on how we can help our clients manage technology for today so they can transform for tomorrow. And ultimately, everything we do to help businesses, is about how we can help people," said Steve Dodenhoff, President, Insight US. "Our team members' embrace of our core values—hunger, heart and harmony—has allowed us to excel in these categories and achieve this recognition."
